Sen. Laura Toy to address veterans group about funeral protest legislation

- What:** Discussion of funeral protest legislation.
- Who:** Senator Laura M. Toy, 6th District and local veterans.
- When:** Saturday, May 6
4 p.m.
- Where:** Don S. Hubert VFW Post 345
27345 Schoolcraft Road
Redford, Michigan
- Briefing:** Sen. Toy is one of the primary sponsors of legislation that would require protestors to keep at least 500 feet away from funeral services. She also serves as chair of the Senate Senior Citizens and Veterans Affairs Committee which approved the bills.

The legislation is in response to a wave of vile protests at the funerals of fallen members of our nation's armed services.
